Prof. Dr. Tobias Just FRICS and Michael Zingel  
IRE|BS Executive Education

## Agenda

This 3<sup>rd</sup> IRE|BS Forum of Excellence offers presentations and discussions covering very different topics relating to real estate, construction and finance with real estate experts from all over the world.

There will be presentations on the future of globalisation, the future of international real estate transactions, the future of the city, migration and homeownership. Again, we combine a mix of practitioners and leading academics to cast some light on urgent problems and pending questions.

**Prof Tobias Just FRICS**

Managing Director  
IREBS Executive Education, Germany
